Kia auaha te ako a ngā ākonga me te whai i te iti kahurangi mō te akoranga tūroa

**Wednesday 5 June** - Gardasil Dose 1 and Boostrix Y7s

**Thursday 6 June** - Music Assembly at 9.45 am, School Disco

Kia ora koutou e te whānau

Welcome to Xiuyun Z in Tupu Whā

I trust you all enjoyed the long weekend to celebrate King's Birthday. A good chance to refresh the batteries and spend some time as a whānau. Staff thoroughly enjoyed the Kāhui Ako staff-only day at Brooklyn School where we focussed on te reo, te ao and tikanga Māori as part of our Culturally Sustaining pedagogy framework. Our inspirational keynote speaker was Ngahiwi Apanui-Barr, CEO of the Māori Language Commission. This was followed up by sharing across-school information on student achievement, then a school-led hui on reviewing our systems and programmes at Kelburn and then in the afternoon, we explored some classroom activities to use with tamariki. It was such a rewarding day, and I feel immensely proud of the progress we have made as a kura in this space, in particularly how much the tamariki enjoy and engage with te ao Māori, and how many are so comfortable to kōrero in te reo Māori if called upon.

**School Disco** - The Student Council is holding a disco this Thursday 6 June, in the school hall. The entry is \$8 to cover the DJ and some refreshments. Please note that **all tickets for the disco need to be prepaid by 11am, Thursday 6 June**. This is to ensure a smooth entry for your child and to avoid any last-minute cash-handling hassle. *You can make the payment by eftpos at the school office or by direct debit to our school account 12-3223-0190001-00, using your child's name and 'disco' as a reference.*

The student council made a conscious decision, they voted against the purchase of glow products for the disco. This decision reflects our school's commitment to environmental sustainability and reducing waste.

### Junior Disco

*The Year 1-4 disco is from 3.30 pm to 4.30 pm.*

The \$8 entry fee includes a DJ & lights, a lolly bag, and a juice box.

There will be no additional candy/drink sales for the junior students, so please do not bring cash to the junior disco.

### Senior Disco

*The Year 5-8 disco is from 5 pm to 6.30 pm, with Y7/8s finishing at 7 pm.*

The \$8 entry fee includes a DJ & lights, and a slice of pizza. The students will be able to purchase candy and drinks at the disco. Please, no big bank notes, as it depletes our float.

The staff will fully supervise the disco; however, junior parents are most welcome to attend with their child. Please ensure an adult collects your child from the school hall at the appropriate disco conclusion time.

**Music assembly** - This Thursday 6 June, from 9.45am, our music ensembles will share their work with whānau and the school. The order of ensembles is as follows: Orchestra, Piccolo, Tui, and then Lyrica. This will be our school orchestra's first performance this year so come along and support them! Each year, these ensembles change and over the course of the year, they build capability, strength and mana through practice and jolly hard work. It is a joy to watch their evolution over each term of their mahi.

**Western Zone Cross Country** - Congratulations to our cross country team which competed in the Western Zone cross country at Karori park last week. Congratulations to Harry W, who won the year 4 boys race!

**BSLA Tupu information sharing** - Thank you to Tupu teachers and whānau who came together last week to share information on how the Better Start Literacy Approach is making such a positive impact for Tupu tamariki.

**Road patrol** - A reminder that students and whānau need to walk across the pedestrian crossing. This means they need to hop off their bikes and scooters and walk their wheels across the road.

### **PTA Movie Fundraiser – Sunday June 23<sup>rd</sup> – 2.30pm**

Despicable Me 4, the latest film in the Despicable Me franchise, will be released in June 2024, and we have an exclusive screening booked. Tickets are available NOW on MyKindo <https://shop.tgcl.co.nz/> Invite your friends and family. What an easy and fun way to help fundraise for the school!

**Rob Cope Kahui Ako whānau evening** - this is next Wednesday 12 June at 6.30pm at Wellington College. An invitation was sent directly to your inbox for this. Please see the flyer below. You can [register by clicking here](#). Rob's session is highly recommended and will give you practical ideas about how you can set screen time boundaries and why you need to do so.

**Celebration of Learning** - In week 8, on Wednesday, 19 June, from 3.15 to 5.00pm, the tamariki will invite you into the learning spaces to share the work they have completed so far from the first half-year efforts. It's always lovely to take the time to go through the books and hear the student's voice as to what each learning experience was about in context.

As it is now officially winter and the weather is turning, please make sure that the tamariki are dressed for the elements outside. The building is set for 18-20 degrees inside, but outside is much less. Please make sure they have warm clothes for outside play.

Ngā mihi nui,  
Andrew

## **Māia Update**

It has been a busy five weeks and our kids have lots to show for it! As you know we also have a change in staffing occurring. We are saying farewell to Mr Button, and welcoming Miss Emily Wilby who will be teaching Māia Tahī for the remainder of the year. Miss Wilby has been teaching at Kelburn Normal School in Tupu and is currently spending some time in Māia to get to know the students and procedures before she officially starts in week 8.

### **School Hui**

Te ara Māia will be leading our school assembly in week 8. We would be delighted if you would attend. Leading a school hui is an opportunity for the children to showcase their learning and practice performing for an audience. It is at this age that the children may say to you that they don't want you to come, I can assure you that they do. At this hui we will also be farewelling Mr Button, so it would be wonderful if you would come along and celebrate him with us.

## College

We care about our students' transition to secondary school and we ensure that there are multiple opportunities for our students to make connections with future schools. We have recently had visits from our Year 8 students of 2023! The students from WC and WGC have come to chat with us about their transition from Kelburn to College.

## Science-

### Imagined creatures

We are investigating the structural, physiological, and behavioural adaptations of some unusual creatures on our planet. Next, we will use the information we have gathered to design animals with specific adaptations that will survive on Earth in millions of years.

### Maths- Statistics & Probability

In Maths we are working on our statistical literacy and have interpreted graphs on a range of subjects. Particularly interesting for the children has been graphs relating to our schools carbon footprint! Students have also been learning how to create high-quality graphs and data displays. We have used the poems we have encountered in literacy as a data source, as well as information from [Stats NZ](https://www.stats.govt.nz/), and class activities.

### Literacy- Poetry & Novel Studies

So far this term we have looked at odes, environmental poems, political poems, limericks, black-out poetry, and poems of a spiritual nature. Our Multiple Literacies approach means that students are using drama, music, oral expression, film, and visual representation to access and express themes and ideas in poetry. We have been utilising the great outdoors as much as possible, and we look forward to showing you some of our short films that have been recorded in the gully.

## Growing Resilient Kelburn Kids

### Resilient Tamariki are good sports

At our kura, we believe that participating in sports and physical activities offers more than just physical benefits; it also provides a valuable opportunity for tamariki to practise the Key Competencies, particularly their resilience in winning and losing games. One of the most important lessons tamariki can learn through sports and games is being a good sport. Being a good sport encompasses playing fair and by the rules; showing respect to teammates and the opposing team; respecting the decisions of the referee or the group decision; and handling both victories and defeats with grace. These are tricky skills that need to be taught. We teach them directly through in-the-moment discussions during P.E and games, and in team discussions afterwards; in home learning team or small group

problem-solving discussions, particularly after break times; through lessons using drama and role play, and picture books.

Teaching our tamariki to play fair involves emphasising the importance of following rules, being honest, and giving their best effort, regardless of the outcome. It's equally crucial to guide them on how to be gracious winners and good losers. When they win, encourage them to celebrate with humility by keeping their smiles and excitement low-key and by recognising the efforts of their opponents and thanking them for a good game. Conversely, when they lose, help them see it as an opportunity for growth and learning rather than a setback; congratulate the winners with a smile and 'good game'; remind them of all the times they have won before; encourage them to say to themselves, "Someone has to lose this time". Remind them that the true spirit of sports lies not in winning or losing, but in the enjoyment of the game and the camaraderie it fosters. By modelling and reinforcing being a good sport at kura, at home, and on the turf, we contribute to a positive and respectful sports culture that builds our whanaungatanga and benefits everyone.

Later in this newsletter, there is a poster, "What to say when other kids show bad sportsmanship" that you may find helpful. Keep up your positive parenting! - Danielle

### [Please volunteer to help our library!](#) 📖📖📖

We regularly buy new books for our library. Help from parents/caregivers significantly speeds up the process of getting books ready for our children to read. We have a small but brilliant team of parents who have been helping us, but it would be great to have some more help. We have kits ready to go out to parents/caregivers to duraseal new books at home in your own time. There are approximately 10 - 20 books in each 'home kit'. We prefer that parents have some experience with durasealing in general. Please email [library@kelburnnormal.school.nz](mailto:library@kelburnnormal.school.nz) if and when you could help. Thank you from your KNS library team.

**Parking - Kowhai Road Quick Stop Zone** - Please do not leave your car unattended in this zone. It is a quick drop off or pick up - tamariki need to be able to get in and out of your car unassisted. If the zone is full you will need to exit Kowhai Road and try again or park further away and walk back to school. Do not stop on the broken yellow lines.

**Parking Boundary Rd** ~ Please do not park in front of the garages on Boundary Road. We have received complaints from neighbours who regularly have their vehicles blocked in by parents who have parked in front of their garage.

Wellington College Open Mornings and Enrolment Information

This year our open mornings are as follows:

**Monday 17 June 2024 at 9.00am**

**Tuesday 18 June 2024 at 9.00am**

This is an opportunity for new students and their families to look around the Wellington College facilities and meet the Senior Leadership Team.

Registration is not required. All students and their families are welcome to attend.

**Please note that out-of-zone applications for Year 9 students for 2025 close on Wednesday, 24 July 2024.**

**The Year 9 out-of-zone ballot is held on Monday, 29 July 2024 and Parents/Caregivers will be notified of the outcome of the Ballot by Thursday, 1 August 2024.**

**In-zone enrolments continue.**

Wellington Girls College Open day Thursday 20 June

Onslow College Open Evening - 5.30 pm to 7.30 pm on Wednesday 12 June

The secondary schools in the Wellington Region would greatly appreciate it if Year 8 parents and Whānau could enrol their young person for the 2025 academic year by submitting an application through the online enrolment form provided by your chosen secondary school **prior to Wednesday, 24 July 2024**. This assists each school with their planning for the 2025 academic year, including allocating resources, class sizes, organising facilities and teaching staff.

#### Some reminders for school and the winter months :-

- Please name all clothing, lunchboxes, drink bottles and tupperware so we can find the owner if left outside.
- The learning spaces open at 8.30am so tamariki cannot go inside until then.
- As the weather is colder, please make sure that the tamariki come to school with warm clothing to wear outside. We only stay inside if it is raining.
- If your child is going to be away then please notify the school via the App, ring 04 4759351 or email [admin@kelburnnormal.school.nz](mailto:admin@kelburnnormal.school.nz)
- For those using the drop-off zone on Kowhai Rd please ensure you adhere to the time restrictions.

**Enrolling for Bee Healthy** - If your child missed out you are able to make an appointment directly with Bee Healthy.

There's two easy ways to enrol your child with Bee Healthy Regional Dental Service:

1. Complete an [online enrolment form](#), or
2. Visit your nearest [Bee Healthy Dental Clinic](#) and complete an enrolment form.

Babies born in the Wellington Region are enrolled at birth with Bee Healthy.

If you have questions about enrolment, eligibility, or unsure if your child is enrolled with Bee Healthy, please call 0800 TALK TEETH (825 583).

## TALKING SCRIPTS FOR PARENTS

### What to say when other kids show bad sportsmanship.

**Important Note:** Before talking to your child, check in with yourself. If you feel dysregulated, take deep breaths. It's okay to focus on yourself first. Your state impacts your child more than your words.

#### ✦ State the Problem

"Great job today! That boy on the other team was really upset after the game, huh? It looked like he may have been yelling at you. Do you want to talk about it?"

#### ✦ Listen, Reflect, and Empathize With Your Child

"Oh, wow. Thanks for telling me about that. I'm guessing that felt really uncomfortable for you. Can you tell me more?"

"Ok I hear you. It felt scary that he was yelling at you, and you weren't sure how to respond in the moment. I get it."

#### ✦ Normalize Your Child's Experience

"Yep, your feelings make sense. I would have felt the same way. Do you want to hear about something similar that happened to me when I was a kid?"

**Remember:** It can be triggering as a parent to see someone yelling at or being unkind to your kids. It's important to make space for children to share their feelings without projecting your feelings onto them.

#### ✦ Talk through Scenarios or Role-Play

"We can't control what other kids do or feel, but we can control the way we respond. Are you happy with how you responded today, or would you like to talk it through so that you can handle it more easily next time?"

"Want to practice? I'll be the other kid, and you can practice what you want to say. Ooh, I like that response. That would be really helpful next time."

"Do you want to know what I might say?"

**Tip:** Helping your child understand that they have no control over another person's emotions can help them feel less emotionally attached when a hard situation comes up. You can normalize your child's feelings by listening with empathy and validation, then collaborate with your child to help them feel prepared for next time.

## Te Kāreti o Onslow Onslow College

### Open Evening 2024 | Wednesday 12th June | 5:30 - 7:30 pm

We warmly invite you to the Onslow College Open Evening. This will be your chance to see the school learning spaces, talk to current students and Learning Area Leaders, and hear from our Leadership team.

**Tours of the school:** Between 5:30 - 7pm, our student guides will host small groups around the school to hear short presentations from our Learning Area Leaders.

Feel free to ask our students any questions about life at Onslow.

**Presentation in the hall at 7pm:** Our Tumuaki, Sheena Millar, representatives from the School Board and current students will share their experiences and information about Onslow College.

**Please note:** There will be NO parking onsite. Parking is available at Rāroa Intermediate, Rāroa Park, the Onslow student car park on Burma Road, and the surrounding streets - Burma Road, Haumia St., Bannister Ave.

**Enrolments for 2025 are open now!** Please scan the QR code to take you straight to our enrolment page:
